GENERAL CONDITIONS

Object

These general conditions concern the use of the SOCIEUX+ website (hereinafter referred to as the "Website") whose address is www.socieux.eu. Any natural or legal person that logs onto the Website is considered as a user of it (hereinafter referred to as "User(s)").

By accessing the Website, Users acknowledge that they have read and accept all terms of the present General Conditions of Use.

As editor of the Website, SOCIEUX+ FMT, reserves the right to modify the content of these conditions at any time, without prior notice or notification. Therefore, it is the Users' responsibility to regularly familiarise themselves with present conditions.

The original English version of this document prevails over any translation.

Aim of the SOCIEUX+ Website

The aim of the SOCIEUX+ Website is to provide general information on SOCIEUX+, a technical cooperation facility set up and co-funded by the EU through the European Commission's Directorate-General for International Partnerships (INTPA) and the governments of France, Spain, and Belgium, and implemented by a partnership (hereinafter referred to as the "Implementation Partners") composed of Expertise France (leading agency), Belgian International Cooperation on Social Protection (BELINCOSOC), the International and Ibero-American Foundation for Administration and Public Policies (FIIAPP), and the Belgian Development Agency (Enabel).

Liability

Users remain personally responsible for the use they make of the Website and throughout the period during which their consultation lasts.

Users accept that SOCIEUX+ and its editor cannot guarantee the accuracy, precision, or scope of the information available on this Website, its proper functioning, or its security.

The editor shall not be held liable for any difficulties accessing and using the Website regardless of their nature or origin and in particular when they are related to the state and features of the hardware used by Users.

The editor shall not be held liable for any damage suffered by Users resulting from their use of the Website or the information and functionalities proposed by them, the hypertext links on it, and the links to other.

In every case, Expertise France ensures that the processing of applications complies with European Data Protection Regulations.

Cookies Policy

This Website uses first-party Google Analytics cookies, which only store navigation data to track User activity within the website.

Users may refuse the use of cookies by selecting "Settings" on the Cookies Consent Notice, as well as turning off cookies on their browser. Users can also opt out from being tracked by Google Analytics with effect for the future by downloading and installing Google Analytics Opt-out Browser Add-on for their current web browser. However, please note that this may limit the Website's functionality.

A March 2024 update message: As part of our commitment to comply with the European Union's General Data Protection Regulation (GDPR), we are in the process of transitioning from Google Analytics to Matomo (formerly known as Piwik) ensuring we continue our commitment to prioritising user privacy and data security.

Copyright

All the elements contained on the Website benefit from the protection of French intellectual property law. Without any express prior authorisation of the holder, any total or partial reproduction of the Website or one of its elements shall be considered an infringing act, punished under article L352 of the French Intellectual Property Code.

Personal data protection

Please read our [Personal Data Management and Privacy Policy](#) here for information concerning the collection, processing, storage, and transfer of Users' personal data.

Governing law and jurisdiction

The present conditions of use and legal notice, as well as the SOCIEUX+ Website, are governed by the provisions of French Law.

If an amicable settlement between the editors and any complainants is not reached within one month, any disputes that may arise in the use of the SOCIEUX+ Website, or in the interpretation or application of the general conditions of use, shall be subject to the exclusive jurisdiction of the courts of the city of Paris (France).

This website was created and maintained with the financial support of the European Union. Its contents are the sole responsibility of SOCIEUX+ implementing partners and do not necessarily reflect the views of the European Union.

The designations employed and the presentation on maps do not imply the expression of any opinion whatsoever on the part of the UE or the SOCIEUX+ implementing partners concerning the legal status of any country, city, area or territory, or of its authorities, or concerning the delimitation of its frontiers.
